## Join us for our 12th year!

We invite you to join the Burke County Youth Band Camp in its 12th year! Each year the camp gets bigger and better and we want you to be a part of it with us. With a staff of local middle and high school band directors, students will get a great educational, yet fun experience. The Beginner Camp is focused on students that have no experience playing and will be starting on their instrument for the first time. The Advanced Camp is for students that have already played in a band program for at least a year. They will be performing band literature as well as having master classes for their instrument.

For more information email or call Chad Higdon, Director of Bands at Patton High School ([chigdon@burke.k12.nc.us](mailto:chigdon@burke.k12.nc.us) / (828) 433-3000). Registration forms are available from your child's middle school band program and at The Music Center in downtown Morganton. Registration fees are \$40 before July 21st and \$50 afterwards. Walk-ins are welcome!
